Application for Financial Assistance

The Y's Mission: To put Christian principles into practice through programs that build a healthy spirit, mind and body for all.

Our Cause: At the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income, or background, has the opportunity to learn and grow.

Who We Are: The Y is the nation's leading nonprofit committed to strengthening communities through youth development, healthy living, and social responsibility.

- **Youth Development - Nurturing the potential of every child and teen.** Nine million youth are taking a greater interest in learning; making smarter life choices; and cultivating the values, skills, and relationships that lead to positive behaviors, the pursuit of higher education and goal achievement.
- **Healthy Living - Improving the nation's health and well-being.** Millions of adults and youth receive the support, guidance, and resources needed to achieve better health and well-being.
- **Social Responsibility - Giving back and providing support to our neighbors.** Across the country, the Y helps people give back and assist their neighbors by offering opportunities to volunteer, advocate and support programs that strengthen community.

This program is designed to better meet the needs of individuals and families that might not be able to pay the full price of a Y program based on financial situations. This program is intended to help those in need by adjusting the fees based on household income.

The YMCA of San Joaquin County is a not-for-profit social services organization, committed to helping people grow in spirit, mind, and body. The Y is here to serve people of all ages, backgrounds, abilities, and incomes. The Y offers the financial assistance program because we are a community based organization and we believe that programs and services should be available to everyone.
